

Coupe Verticale 2100 - 2100

This technical drawing illustrates a vertical section of a building facade, specifically a window or door frame. The drawing is divided into two main parts: a top section showing the upper part of the frame and a bottom section showing the lower part. The top section includes a horizontal dimension of 1247.5 and a vertical dimension of 2144. The bottom section includes a vertical dimension of 2230. The drawing shows various materials and components, including aluminum (Alu 3, Alu 5), enamel (Emaillage), insulation (Isol 1), and a tube (Tube alu 40/40). The frame is shown in a cross-section, revealing the internal structure and the way the glass or door is held in place. The drawing is labeled with 'Coupe Verticale 2100 - 2100' at the top.

Key components and dimensions shown in the drawing include:

- Dimensions: 1247.5, 2144, 2230, 949, 1050, 61, 40, 88°.
- Materials and Components: Emaillage, Alu 3, Tube alu 40/40, Isol 1, EE, Alu 5, HLF, EV.
