Dieke 70 mm

Technical drawing of a rectangular plate with dimensions and labels. The drawing shows a plate with a central rectangular cutout. The overall dimensions are 518 mm in width and 744 mm in height. The cutout has a width of 226 mm and a height of 78 mm. The plate has a thickness of 70 mm. The cutout is positioned 78 mm from the top and bottom edges and 78 mm from the left and right edges. The plate is labeled with 'D1' at the bottom corners and 'D2' at the top corners. The labels 'Lock Ø70 mm' are placed near the corners. The label 'Dikka 70 mm' is placed near the center of the cutout. The label '(3 Stk)' is at the top center.
