

This architectural section drawing, titled 'Schnitt C:C', illustrates a multi-story building complex. The drawing is oriented with a north arrow pointing towards the top right. The building is divided into several vertical sections, with the central part being the largest. The roofline is complex, featuring a prominent gabled section on the left and a series of lower, flat-roofed sections extending to the right. The building is divided into several horizontal levels, labeled on the left side: '3. OG' (third floor), '2. OG' (second floor), '1. OG' (first floor), 'EG' (Erdgeschoss, ground floor), and 'UG' (Untergeschoss, basement). The ground level is marked with a dashed line and labeled 'BWL: Terrain'. The drawing includes numerous vertical lines representing walls and columns, and horizontal lines representing floor and ceiling slabs. A series of elevation markers are provided along the right side of the drawing, indicating the height of various levels relative to a common datum. These markers include: +24.95', +19.84', +16.50', +11.02', +5.57', +/- 0.00 = 472.68, and -2.75'. The drawing is a technical representation of a building's internal structure and vertical organization.
